

HISTORYMAKERS GALA XIII RECOGNITION PROGRAM NOMINATION FORM

The Historical League supports the Arizona Historical Society AZ Heritage Center at Papago Park. In February 2019, the Historical League will be honoring living men and women who have made significant contributions to the history of the state of Arizona.

We need your help in selecting a well-rounded and deserving group of honorees. Take time to consider living individuals, couples or families who you think are worthy candidates to be honored as Historymakers. If you have nominated someone in the past and they have not been selected, please resubmit their name. It is helpful to us if you can send supporting information about your nominees. If possible, include a link to websites where you found information about them. Also, please place an asterisk (*) by the names of candidates with whom you are personally acquainted. Multiple nominations may be submitted. Please fill out a separate page for each nomination.

The nominees come from many sectors in our community and state. They are not selected by category but are chosen by their overall contribution to the state of Arizona. You may submit multiple nominations.
